

Subject: Mathematics

PROGRAMME SPECIFIC OUTCOME

Specific outcome of Mathematics regular syllabus prescribed by Gauhati University may be cited below:

1. Ability to learn algebra, Calculus and differential equation.
2. Ability to learn Trigonometry, Number theory.
3. Knowledge of coordinate geometry.
4. Ability to learn real and numerical analysis.
5. Understand the probability and optimization theory of mathematics.
6. Knowledge of discrete mathematics.
7. Ability to learn and apply the computer programming in C.
