**THE NATIONAL ASSESSMENT AND ACCREDITATION
COUNCIL**

Criteria VII

Institutional Values and Best Practices

Key Indicator 7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

F.A. Ahmed College, Garoimari is cultivated by mostly poor students. The people in the neighbouring area are basically of agro-dependent. Majority of them are socially less aware. Therefore, the College family has identified the following two practices to undergo as best practices to germinate manpower among such people and also to bridge a cordial relationship with them.

- ❖ **Best Practice 1: “Work for marginalized children in externalizing their uniqueness”.**
- ❖ **Best Practice 2: “Institutional Responsibility towards Society”**

Best Practice-1

i) Title of the Practice: “Work for marginalized children in Externalizing their Uniqueness”.

ii) Objectives of the Practices:

1. To aware and motivate the children (especially economically weaker) to the external world to make them inclusive.
2. To develop awareness among children about health & hygiene and good habits.
3. To develop social responsibilities and leadership qualities among the children.

iii) The Context

F.A. Ahmed College, Garoimari is the only institution imparting higher education among the people in the area. Considering local issues, the College family wants to endeavour its effort to work in the grass root level. Unless and until, foundation of anything is not created and feeling is not coming from within, it would be very difficult to overcome from the vicious circle of problems rooted around them. Therefore, the College has selected to work for the kids as best practice to create leadership foundation among the children of the locality.

iv) The Practices

F.A. Ahmed College, Garoimari has signed a MoU with *Luit Poria Maina Parijat, Goroimari* (an NGO basically works for the mental and social development of children) and jointly working among the children of the area. Each Sunday, children are gathered in the Office of *Luit Poria Maina Parijat* and taught/trained them drawing, recitation, speaking, social behaviour etc. However, the various programmes are organised among them. The children are carried to participate various state level, district level competitions in different corners of the state.

v) Evidence of Success:

F.A. Ahmed College, Garoimari under the supervision of Bharat Scout & Guide has been pertinently investing effort with *Luit Poria Maina Parijat* for the children of Goroimari locality for their mental and social development. Children are encouraged and facilitated to participate in various competitive programmes. Few children have been enabled to win prizes in state level competitions. Among them, Sheikh Umraoan could achieve 1st position in State Level Drawing competition at Sarusajai, Guwahati on dated 14/11/2021, Khadija Khatun wins 2nd Position in State Level Extempore Speech & Sheikh Umraoan wins 4th Position in

corresponding Drawing on 22/07/2022 at Guwahati etc. Due to the sincere effort of the College family, it can be apprehended that some of the vulnerable children could be persuaded and acquainted with external milieu.

vi) Problems Encountered and Resource Required

- i) Parent of the majority of the children are less aware and pessimist. It is very difficult to persuade their children to come out home. However, Bengali is the home language of the 95% of Goroimari people, children in early stage are not too fluent in state language Assamese, efforts is needed to prepare in acquainting them with outer situation.
- ii) Financial resource is another major constraint in undergoing the mission. In undergoing gathering each Sunday, celebrating/observing different days, in participating various programmes out station need funds which become a hurdles and arises disappointment.

The 1st Party is a higher educational institute located in Goroimari, Kamrup (Assam) imparting B.A. (Arts) education among the students since its inception. Goroimari is one of the rural blocks of Assam mostly dominated by religious minority people. Majority of the people in the Gorimari area are of BPL families. Once educationally backward Gorimari now becoming educationally forward where the College has been taking a pioneering role. The mission of the College is to graduate rural poor especially the females. Graduating females is uniqueness of the College.

The 2nd Party is an organization located in Goroimari, Kamrup (Assam) established in the year 2006. It basically works for the welfare of Children of the locality. Main aim of the organization is to work for the children of mental, health and physical development of the children known as *Maina*. The workers of the organization arranges programmes like singing, drawing, dancing, poem recitation etc. for the children each Sunday. Also, children are taken to state as well as district level programmes for participation.

Description of Collaborative Relationship

F.A. Ahmed College, Garoimari & Luitparia Maina Parijat, Goroimari develop the present Memorandum of Understanding (MoU) to improve collaborative relation between the two agencies to enhance service for children age from 03 to 12 years. This collaboration identifies the following few strategies to achieve the goals;

- i) Maintain a dialogue between the two parties that facilitates the ongoing development of this agreement.

ii) 1st Party will support 2nd Party in developing mental, physical and other aspects of the Children of the locality.

iii) 1st Party will help the 2nd Party in attending some state as well as District level programmes organized for Children.

iv) The 1st Party will aware the Children of the 2nd Party so that they don't become victimised in the case of trafficking, road accident and other unforeseen contingencies.

Criteria-7 Institutional Values and Best Practices

iii) **Best Practice-2:** “Institutional Responsibility towards Society”

Best Practice-2

1. Title of the Best Practice: Institutional Responsibility towards Society

2. Objectives:

- i) To channelize the intellectual resources of the College fraternity to reach the marginalized section of the society.
- ii) To craft cohesion with the local people to minimize the gap between the College and society.
- iii) To sensitize students towards social responsibilities.

3. The Context:

F.A. Ahmed College, Garoimari has been trying to offer voluntary service to the marginalized people to vicinity area. Some of the Cells of the College like NSS, Scout & Guide, UBA etc. undertake various outreach programs within the locality. Especially, the **NSS Unit** undertakes a 7 days long special camp each year in a selected village. Teachers, non-teaching employees and students take part in the practice.

4. The Practice

The College family has been undertaking some outreach programme to make a bridge with the people in the area to minimize gap between the College and neighbouring people. Students along with some guide teachers visit to villages and undergo some societal relates issues. The team visits to the people and interact with households on issues like, faster growth of population, existence of early marriage, defecation facility, brushing or not, schooling etc.

5. Evidence of Success:

Of course, it is a difficult task to proof to be succeeded in this respect. Nevertheless, some of the points are mentioned herewith in support of the phenomena.

- i) The mutualism of the College and the people of vicinity area is an indicator of success in practice of social responsibilities. Sometimes, the institution has been appraised by some stakeholders through letters of appreciation.

ii) Once the camp is over, the local administration is met and informed about problem of the village. Sometimes the authority appreciate the practice that can be stand as evidence of success.

iii) Increasing number of volunteers in the different social activities of NSS can also be considered as evidence of success.

iv) Seeing the past outreach activities of the College, the Health and Family Welfare Department, Govt. of Assam come ahead and sign a MoU with the College to utilise the College intellectual resources for more social activities like MMR & IMR etc.

6. Problems encountered

1. Paucity of funding can be mentioned as the first problem faced in undergoing the practice. Due to shortage of funding, only few volunteer students can be deployed in the activity.

2. The staff and students of the college are ever eager to participate in such activities. But the scheduled academic activities cause paucity of time despite the will. Thus, manpower and time constraints are other major limitations in this regard.
