Sir/Madam,

In inviting reference to the subject cited above, I am directed to communicate that provision to change Major and Minor will be enabled from the login of Principals of Colleges or Admission Coordinators of Universities in <https://assam.samarth.ac.in>

In this regard, it is requested that such changes in Major or Minor subject are to be done in the portal only upon receipt of written and signed application with documents from the concerned student duly authenticated by the competent authority of the respective Institutions. Additionally, the system would allow such changes subject to the vacancy of seats in that subject/discipline.

All such changes are to be made in sync with the applicable policies, regarding such subject changes, of the concerned Universities and Autonomous Colleges.

*NOTE: Neither the department nor the Directorate shall be responsible for any erroneous change of subject(s) or changes made without prior consent of the student.*

This is for kind information and necessary action.

Sincerely

--
